## New GLCC building opens

### *Ribbon cutting, BBQ at Brushy location draws crowd*

**G**LCC opened its new digs at 103 N. Brushy St. with a barbecue feast in October. Food service was provided by Anthony Sowder with Austex Printing.

The location belongs to the City of Leander, and formerly housed City offices.

"We want to be a one-stop shop for business in Leander," said Shawn Kirkpatrick, GLCC president. The GLCC has worked hard and area businesses have come together to make the new building come to fruition.

The GLCC thanks all who participated in making the new location a reality. It brings together in partnership the city and the chamber, which are working together to make Leander a wonderful place to live and work.

With the chamber and city offices physically closer together, the ability to work together on community projects is easily facilitated.

# GLCC Chamber Briefs

## Annual banquet deemed success

The annual GLCC banquet was held this year in November at Outlaw's, located in Liberty Hill. GLCC would like to thank Outlaw's for the use of its beautiful facilities.

"It was a great time for all," said Shawn Kirkpatrick, GLCC president.

Approximately 150 people attended the banquet, with many participating in the auction.

The GLCC thanks participants for donating auction items, and for all volunteers' help.

Food was catered by At Your Service.

Winner of the basket challenge that brought in the highest bid was Zora's Select Gifts.

Zora's will receive a FREE half-page ad in the 2005 Greater Leander Chamber of Commerce Directory.

## Always Something hosts coat/ canned food drive

Always Something, a new GLCC member, is hosting a coat and canned food drive. Every person who donates a coat will receive 20 percent off any future sale, and for every three cans brought in by one person, they will receive a 10 percent discount.

The store is located at 305 S. Hwy. 183 in Leander. It is the bright yellow place that is located next to the old Leander grocery (now a Citgo). That would be a great time for people to donate for the Christmas season and still receive a big discount on purchases. Always Something is open Mon.- Sat. 10-6 and Sun. 10-2.

The donations will be given to local churches and schools in the Cedar Park and Leander areas.

Contact Chris Steele with questions at (512) 260-4144 or (512) 260-1608 or at e-mail
