From your chamber office

Dear GLCC Members and Friends,
 I moved to Leander last December, so I am privileged to live and work local. I make it a point to also shop local. Before I pay sales tax to another city, I see if I can make the purchase here in Leander. Now, of course we can't buy everything we need here, and we do have members in other cities and I do frequent them as needed also. But Leander residents need to know that sales tax paid to a store in Austin goes into Austin's coffers. If we want Leander businesses to grow and offer us more products and services, we have to frequent them. Likewise, if the City of Leander is to continue expanding services to all residents, we residents must help keep sales tax local. Educate yourself about all the retail and service businesses we have right here

in Leander. If you want, contact the Chamber office and we will help you find what you may be looking for. Let's stand behind our local merchants and let them know we are glad they have chosen to open a business in Leander. A word to the merchants. Please help customers find you easily by displaying your street number prominently. Traffic on major streets moves so fast, it is hard to search for an address and not collide with another car. The City Council and Chamber have heard from residents who have made this request, so we are passing it along to all merchants.

Mary E. Bradshaw

Sincerely,
Mary E. Bradshaw, Executive Director
 Greater Leander Chamber of Commerce
